Skills

ES5/ES6

HTML5

CSS / SASS

React

npm / yarn

Gulp / Webpack

GSAP

GLSL

WebGL

three.js

createJS

AS2/AS3

Photoshop

Illustrator

Hi, I am a problem solving Developer and a cheerful and respectful team player who loves to work with groups that are open and transparent. I love to learn new programming languages, frameworks, and paradigms. I enjoy learning from teammates and I am happy to mentor less experienced developers. Currently obsessed with React and WebGL.

Experience

- 2007 - **Goody Interactive** - contract and direct to client project development: estimating timelines, budgets, working onsite and remotely, technical consultation with modern technologies
- **MacLaren McCann** - developed dozens of projects for GMC, Chevrolet, Buick, Pontiac, Royal Bank, Nestle, OLG, MasterCard
 - **inOrbital** - developed web content and eCommerce projects for Shoppers Drug Mart, T-Shirt Monster, Home Depot
 - **Red Urban** - developed interface for Volkswagen Canada
 - **Henderson Bas** - designed and developed web content and advertisements for LG and Nintendo
 - **Tribal DDB** - developed advertisements for Manulife
 - **super goody gogo**: designed and developed gpu-accelerated video game for iOS, Android & Amazon
 - (among others)
- 2003 - **Contract Flash Developer** - primarily onsite flash development, with small to midsize teams
- **MacLaren McCann** - developed interface for Chevrolet's Let's Go Campaign, and many other projects
 - **Grip Ltd.** developed Acura's Advanced Technology Center
 - **InstaClick** - developed a customizable interface for a dating engine on a small team of developers
 - (among others)
- 1998 - **Freelance Writer**
- **National Post** - wrote interviews and lifestyle stories: notably with Coldplay, Janeane Garofalo and Robert Lantos
 - **Vice** - wrote lots of stories and interviews, generally of a quirky nature ; named employee of the month
 - **Rosco** - wrote personal profiles of artists, musicians and media personalities.
 - (among others)

Education

- 1998 **York University**
- B.A. Double Major English and Creative Writing.
- Wrote short stories, magazine articles and screenplays.
