EXPERIENCE

2007 - Current   Owner/ Lead Developer @goodyInt

Developing client projects onsite and offsite - often subcontracting ; recently designed and developed the cross-platform mobile game, super goody gogo, in 26 languages - available on iOS, Android & Amazon.

2005 - 2007   Senior Interactive Developer

Working onsite. Clients included (among others): McCann, Grip Ltd., InstaClick, Canada Post Borderfree. Brands (among others): Acura, Chevrolet, GMC, Nestle, OLG, LG, Canada Post, Nintendo, Honda.

1998 - 2005   Freelance Writer

Regularly wrote stories for The National Post, Outpost Magazine, Rosco Magazine, The Fishing News and Vice - usually profiles - that included interviews with Coldplay, Evan Solomon, Snow, Bruce McDonald, Robert Lantos, Janeane Garofalo, a one-armed fisherman, and many others. Vice once named me employee of the month.

EDUCATION

1998   York University

B.A. Double Major English and Creative Writing. Wrote short stories, magazine articles and screenplays.
